Dear Dr. Beurlingh -

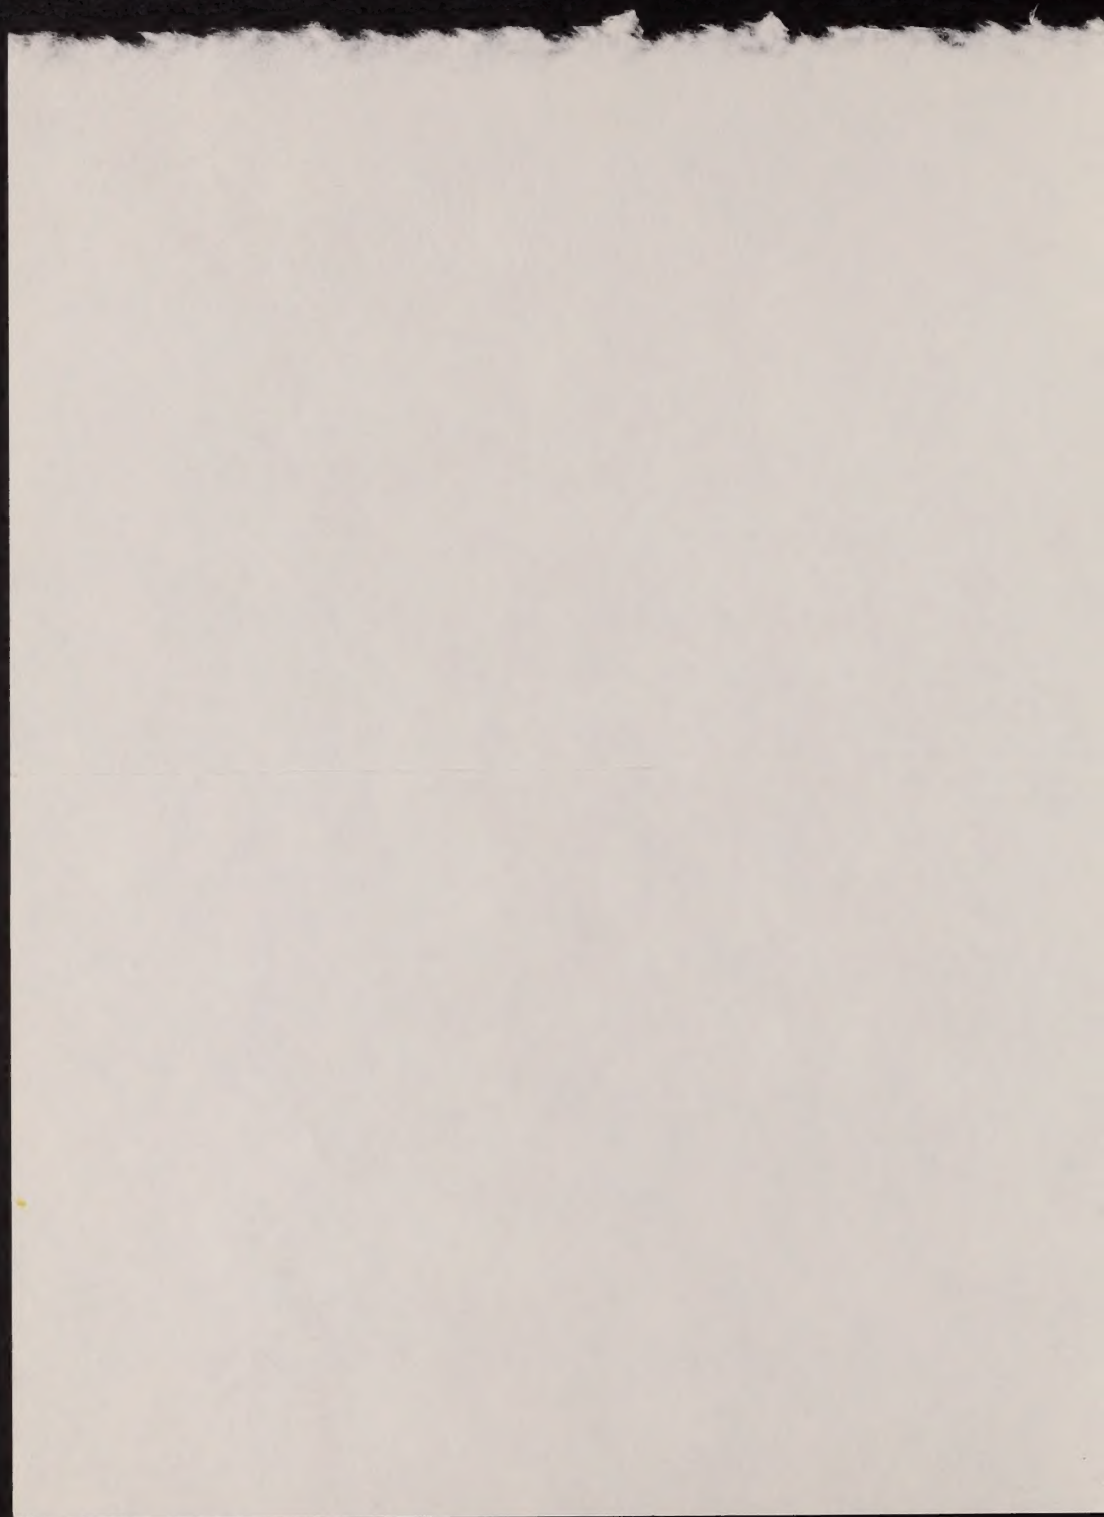

My parents, George and Phyllis Moore are members of the Bay of Quinte Branch of the U. S. L. Their history consists of what I have been able to dig up so far.

I have been trying to gather further information and so far have had no success. The Dominion Archives suggested that I should contact you as you were an authority on the Bay Area.

I have been unable to find any record of the marriage of Sarah Ann and Daniel Corbourn of Ameliasburg. Also of George Moore and Eliza Ann Corbourn, their daughter. George Moore's mother's name was Sarah - and may have been daughter of John Coulter and Phoebe Haugh.

If you have any information on any of these I would be extremely grateful.

Sincerely
(Mrs) Irvin M. Bowden.

Dear Mr. Burleigh -

I am looking for information on the
Daniel Corbman family of Annelasburg.
I was told that perhaps you might have
some information.

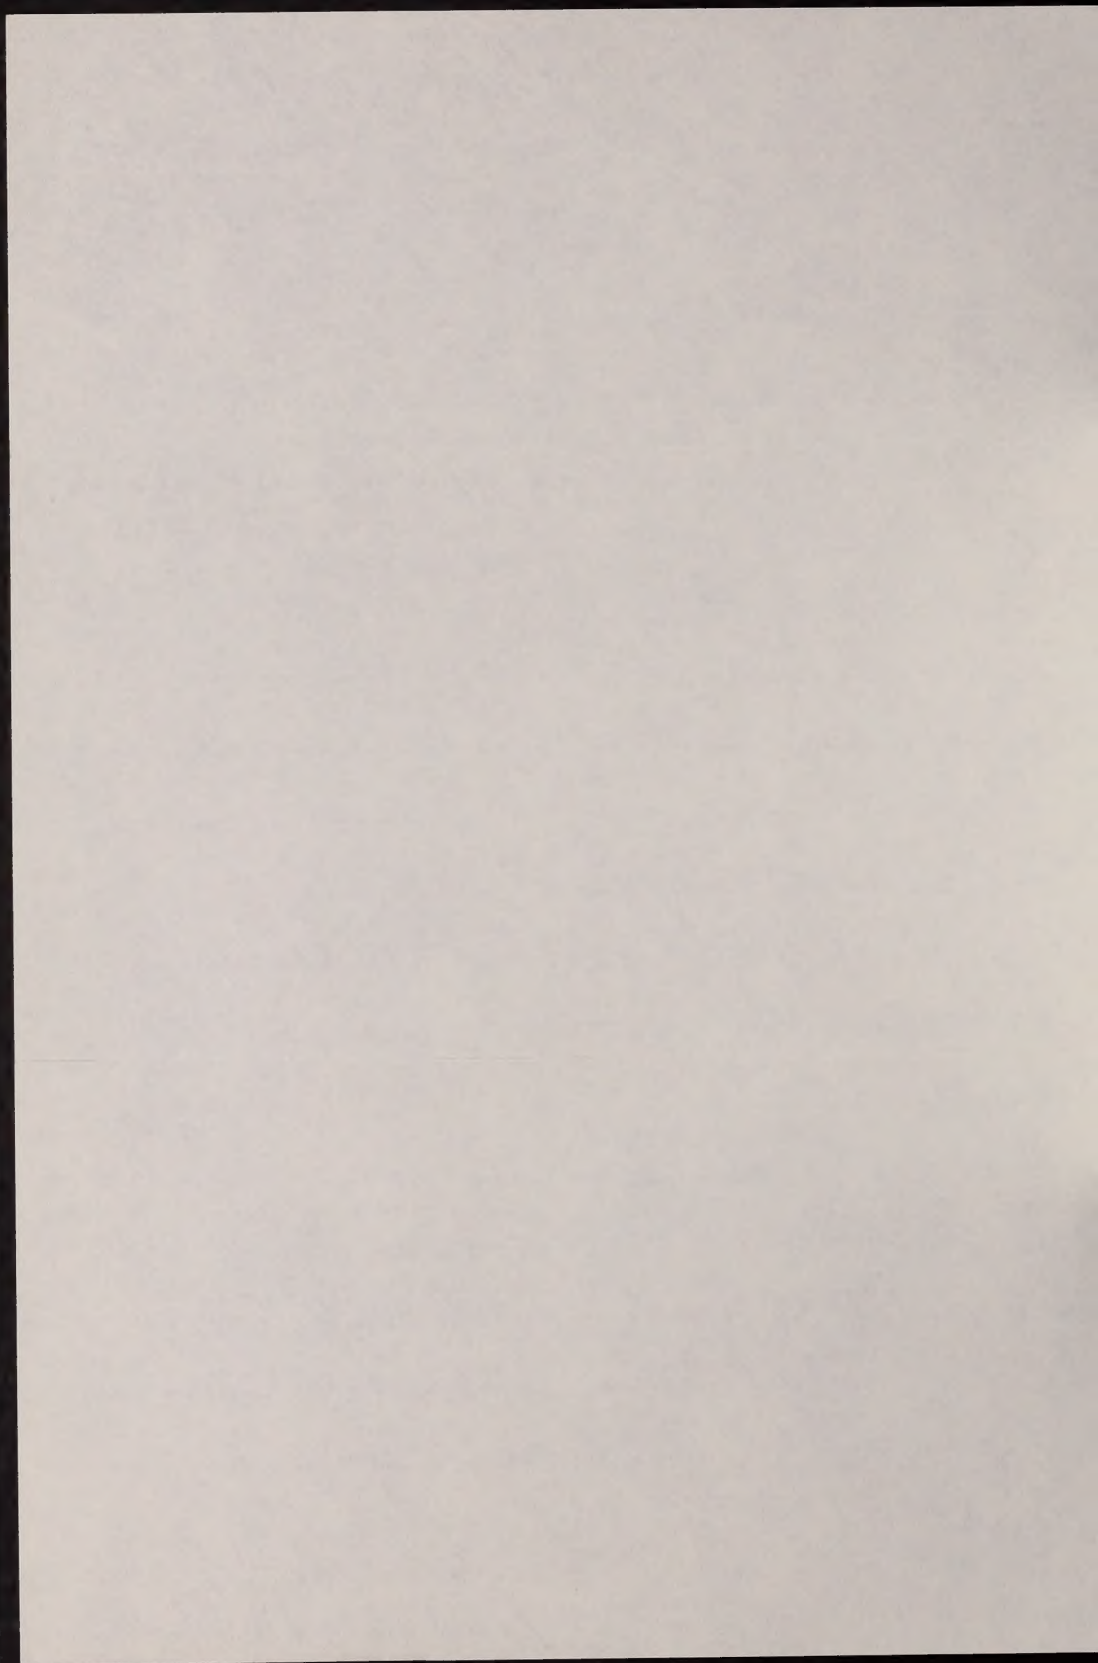

So far, I have found practically no
information except for the Census records
and the death record of Sarah Cunn —
Corbman at Brighton in 1897.

My great grand mother was Eliza Cunn
Corbman who married George Moore
about 1850.

George Moore's mother was Sarah —
and we have located a marriage of
George Moore and Sarah Cunklin in
the O.C.s for John Cunklin's children.

If you could help me in any way I
would be extremely grateful.

Sincerely
(Mrs) June M. Bowden.
